The run will take place **Sunday, April 12, 2026 in Milan**, and will take place in all weather conditions.

PARTICIPATION RULES

Each team (which can also be mixed male/female) must consist of 4 people. Entries will only be accepted per team. Individual registrations are not possible.

The UniCredit Relay Marathon is a 'non-competitive' event, at a free pace, open to all athletes who, by April 12, 2026, will have reached the age of 16. Participants must possess a medical certificate of good health issued by a general physician. By registering to this 'Non-Competitive' event, participants declare under their own responsibility that they possess such a certificate and release the Organizing Committee from any liability.

You will be able to check your registration status by logging into your account, from the registration dashboard you received when you confirmed your registration by e-mail.

OFFICIAL "CONFIRMATION LETTER"

A few days before the race, all athletes enrolled will receive an e-mail valid as official "Confirmation letter". This email will contain all the basic instructions for the bib number pick-up and race participation. You do not need to print a hard copy of the email itself; you can bring it on a device like a smartphone or tablet.

REFUND OF ENTRY FEES

Because of the peculiar registration procedure (the entry is gifted by the Non-Profit Organizations participating in the Milan Marathon Charity Program to the teams that make a donation) the Organization does not entertain any economic relationship with the registered teams and therefore will not make any reimbursement of the fees paid.

REPLACEMENT OF A TEAM MEMBER

It will be possible to replace one or more team members directly from the captain dashboard. The person enrolled in replacement must provide all personal information.

REGISTRATION DEADLINE

Registrations will close at 11:59 pm on march 25, 2026 and applications received over that term will not be accepted. The organization reserves the right to close registration in advance or to accept registrations after the closing date at its sole discretion.

For registrations received after 25/03/2026 it will not be possible to assign the consecutive numbering and insert the NPO logo on the bib.

In any case, entries will not be accepted on the day of the event.

ASSIGNMENT OF TEAM NUMBERS

Assignment of bib numbers will only take place after the closing of registrations in order to assign consecutive numbers to the teams registered with the same Non-Profit Organization.

The bibs will indicate the team number and the letter identifying the leg (A: first leg, B: second leg, C: third leg, D: fourth leg).

NUMBERS AND GOODY BAGS PICK-UP

Race numbers and goody bags can be collected at the **Milano Running Festival**, inside Superstudio Maxi in Milan: via Moncucco 35, 20142 (MI), Thursday, April 9 (4pm to 8pm) Friday, April 10 (10am to 8pm) and Saturday, April 11 (9am to 7pm). The nearest **subway** stations (**Famagosta**, on the **green line M2**) is 200 meters from the village.

For organizational reasons, no race numbers and goody bags will be delivered on the morning of April 12, 2026 the day of the marathon.

The race number is strictly personal, it cannot be tampered with or reduced and is not transferable to anyone, under penalty of disqualification. The bib incorporates the timing chip (which must not be tampered with in any way) and must be applied with the appropriate pins.

JOINT PICK-UP

All bibs and race packs from the same team must be collected jointly. There are no single deliveries of bibs or race packs. Only one person may make the pickup for the entire team. The person in charge of the pickup must be able to present all participant confirmation letters and the joint pickup proxy.

DELEGATE A THIRD PARTY TO COLLECT THE RACE NUMBER

It is not possible to delegate to third parties, unrelated to the team, the collection of bibs and race packs of one's own team. The only exception that will be granted to this rule is for teams made up entirely of runners residing outside the province of Milan.

BAG DEPOSIT

Together with the bib you will be given an adhesive label (bearing your race number) that must be attached to the bag provided by the organization in which to store (exclusively) the clothing to be used for post-race changing.

The bag provided by the organization duly numbered will be the only container accepted. No bag transport service will be provided. There will be an opportunity to drop off the race bag at the finish line change point of one's fraction from 3 p.m. to 7 p.m. on Saturday, April 11. On race day, it will also be possible to hand over the race bag to the next relay runner who can drop it off at the end-of-fraction change point. Before the race, each

athlete must deposit the bag at the finish of his or her fraction, or hand it over to the next relay runner who will deposit it on his or her account. Bag deposits are located at the three change points and at the finish line.

We recommend not to leave personal belongings (mobile, wallet, etc.) inside the bags. While ensuring the utmost care in the custody of the bag, the organization will not be responsible for any theft.

START

The UniCredit Relay Marathon will start at 9:15 a.m. The start area dedicated to the FIRST LEG relay runners will open at 8:30 a.m. in Piazza Sempione in Milan. The organizers cannot guarantee access to the starting grid for athletes arriving after 9:00 a.m.

To enter the starting grid, runners must show their race bib.

Further information and additional details will be provided to athletes in the days leading up to the race.

TIMING

Time measurement and processing of the rankings will be electronically made with a system based on an active transponder ("chip") attached to the race number. It is forbidden to tamper with the chip and the support that fixes it to the bib. Athletes who in any way loose and/or damage the "chip" will not be timed and will not be in the rankings. For each team it will be recorded the official race time (from the start gunshot of the first leg until the last runner crosses the finish line) and the time of each leg (with time detection at the entry and exit of each zone change to allow all runners to receive a time measured on the same distance, regardless of the actual place where the baton exchange will take place).

TIME LIMITS

Time limit to finish the relay marathon is 6h00'. There will also be two intermediate "gates":

- at the 2nd changeover point (km 22.4 approx.), after 3h00' from the start (approximately at 12:30pm)
- at the 3rd changeover point (km 28.2 approx.), after 3h50' from the start (approximately at 1:30pm)

Athletes who do not respect the passage times at the gates will be asked by officials to board the buses for the withdrawn athletes or to continue by running on the sidewalk adhering to the traffic laws. The participant who decides to continue along the marathon route voluntarily accepts and assumes all risks in case of accidents, contact with vehicles, falls and damage to third parties.

These measures are necessary to ensure the safety of athletes. After the times indicated above, in fact, a progressive reopening of the roads will occur, on basis of the authorization granted by the Municipality.

REFRESHMENT STATIONS

For all participants in the UniCredit Relay Marathon 2026, there is a bag with the final refreshments that will be delivered at the end of each fraction, inside the village of the changeover area. In case of need, participants will still be able to take advantage of the refreshments provided for the marathon, positioned every 5 kilometers or so along the route. As per WA/FIDAL regulations, refreshment stations are provided at the finish line and every 5 kilometers along the route. At all refreshment points there will be: water and isotonic drinks and from kilometer 20 also fruit and cookies.

WITHDRAWN ATHLETES

Athletes with an injury or who want to leave the race can get on the "sweep bus" following the last runner to reach the next collection point (km 13,4 - km 22.4 - km 28.2), located at the changeover village, to eventually collect their bag. Athletes who are able to walk can reach the nearest collection point. Transportation to the finish area will start from the three collection points, respectively, at: 11:30am – 12:45pm – 1:40pm.

MEDICAL ASSISTANCE

With the coordination of I-HELP by BSO, the organization will provide the runners with a timely and qualified medical service, to help all athletes in difficulty. An advanced medical post (PMA) will be located in **Via Palestro**, a few meters after the finish line. Along the course, aid stations, ambulances and medical cars will be available approximately every 4 kilometers.

RESULTS AND RANKINGS

The partial and final results will be available in real time by following the appropriate link listed on milanomarathon.it site. Similarly, you can download the diploma of participation.
